A sum of Rs 4000/- was sanctioned by Govt towards the cost of the construction of the hostel buildings for this institution but Govt directed that this work be supervised by the P.W.D. They further directed that such works be got done by scheduled contractors in future. It seems to be clear from that this order applies only to those cases in which the Govt money is involved. Whereas it is doubtful if it applies to works the entire cost of which is met by donors themselves. The Chief Engineer may, however, be consulted in the matter.

See 5 Submitted for orders with a copy of

SIR,

I have the honour to state that it is reported that Messrs. Gojjanur Chennappa Setty and Hedatare Halappa Gowda have offered to construct a Veterinary Hospital building and a cattle ward respectively at Sagar as per approved design. When an estimate for Rs.2000/- was sent by the Executive Engineer, Shimoga Division to this office for countersignature, the Deputy Commissioner was asked to intimate whether the sanction of Government was obtained as to the acceptance of offers of the Donors. From the reply received (copy enclosed for perusal and return) it is seen that no formal sanction was obtained.

I therefore request you to be so good as to obtain early sanction of Government accepting the offer of the donors.

As it is reported that work has to be taken on hand early, the estimate has been countersigned and returned to the Executive Engineer for necessary action.

I have the honour to be,
Sir,
Your most obedient servant,

B. Narasimhaiyengar

Director of Agriculture.

Letter No.M3.46.C.355/34 dated 24-9-1936 from the Deputy Commissioner Shimoga District, to the Superintendent, Civil Veterinary Department, Bangalore.

-*-*-*-

Subject :- Construction of Veterinary Hospital buildings at Sagar

In reply to your letter No.H.A.57/34 dated the 8th September 1936 stating that in connection with the above subject, the Director of Agriculture desires to know when the donation was accepted by the Government etc., I have the honour to state that Mr. Hedatare Halappa Gowda, promised in the first instance to construct a Veterinary Hospital at an estimated cost of about Rs 4,000/- and Mr. Gojjanur Sahucar Channappa Setty promised to construct a ward to be attached to the Hospital. Mr. Halappa Gowda having requested for the grant of a suitable site for constructing the Hospital, the site was selected and a recommendation was made for its free grant. The offer was accepted and the site was also ordered to be granted free subject to certain conditions vide P.W. Secretary's letter No.1618/S. dated 20th February 1935. Copy enclosed. Owing to some unforseen circumstances Mr. Halappa Gowda backed out of his promise to construct the Hospital building. Subsequently after some local influence, the two donors came to a mutual understanding according to which Mr. Halappa Gowda paid a cash donation of Rs 2,000/- for the construction of the ward and the compound, whereas Mr. Gojjanur Channappa Setty agreed to construct the Hospital building himself according to the type design. The foundation stones for the two buildings were laid by the First Member of Council on the 30th November 1935 at the request of the donors. The construction of the main building by Mr. Gojjanur Channappa Setty is progressing. The sum of Rs 2,000/- deposited by Mr. Halappa Gowda has been credited to Public Works Department and the Executive Engineer has been requested to have the ward constructed through the Department. The mutchalikas executed by the donors are sent herewith as desired.

Subject :- Proposed site for Veterinary Hospital at Sagar.

=====

With reference to your letter No.C.659 dated the 16th January 1935, I am directed to convey the approval of Government to the site noted in the enclosed plan at Sagar being given free of cost to Mr. Hedathari Halappa Gowda for the construction of a Veterinary Hospital by him, provided that the donor agrees to the conditions mentioned in para 4 of your letter under reply.

2. The file of papers received with your letter is herewith returned.

4. The site in question may be given free of cost provided the prisoners' kitchen and latrine are built separately and compound wall of approved type is constructed by the donor in addition to the Veterinary Hospital proposed to be constructed by him as per approved design. The building should be put up by the donor in 2 years and handed over to Government free from all encumbrances.

General No. Mo. 46. 355/34.
No.

Enclosure No.

Sir,

I have the honour to state that the Sub Division Officer Sagar obtained an offer from Mr.Halappa Gowda of Hedatare in Sagar Taluk stating that he would construct at his own cost a Veterinary Dispensary at Sagar and praying for the grant of a suitable site for the purpose, and reported in his letter No.C.28/34 dated the 12th September 1934 that the site selected was Government property and was situated between the Kanle choultry and the Barr lines and that the old Dispensary was located on the site formerly and that after it was shifted to the new building the old building was dismantled and recommended its grant free of cost for the purpose. Then a reference was made by this office to the Executive Engineer in letter No.M3. C. 355/46 dated 21-9-34 requesting him to intimate whether there was any objection to the grant of the site and whether it would be sufficient for constructing the Hospital as per approved design. In reply to the communication made from this office, the Executive Engineer in his letter No. 556 dated 1-3-1935 forwarded copy of letter No. 1618/ S. dated 20th February 1935 from the Secretary to Government, Public Works Department conveying the approval of Government to the free grant of the site to Mr. Hedatare Halappa Gowda for the construction

of the Veterinary ~~Dispensary~~ Hospital by him provided that the Prisoners' Kitchen and the latrine which stood on the site were built separately and compound wall of approved type was constructed by the donor in addition to the Veterinary Hospital proposed to be constructed by him as per approved design and that the building should be put up by the donor in 2 years and handed over to Government free from all encumbrances. In the meanwhile, a promise was obtained from another gentleman by name Mr.Gajjanur Sahucar Channappa Setti for constructing a ward to be attached to the Dispensary. Subsequently, on account of some unforeseen circumstances, Mr. Halappa Gowda backed out of his promise to construct the Hospital building. With some local influence, the two donors came to a mutual understanding according to which Mr. Halappa Gowda paid a cash donation of Rs 2000/- for the construction of the ward and the compound, while Mr. Gajjanur Channappa Setty agreed to construct the main building himself according to the type design. Then at the request of the donors, the foundation stones for the two buildings were laid by the First Member on the 30th November 1935.

2. Mr. Halappa Gowda paid the promised donation of Rs 2000/- for the construction of the ward and the compound on the 25th November 1935. Then the Executive Engineer was requested in this office No. M3. C. 355/35 dated 27th January 1936 to start the work early. The construction of the main building by Mr. Gajjanur Channappa Setti is nearing completion. But the work of the ward and the compound has not been taken in hand. It is ascertained that the matter is pending on the ground that the sanction of Government has not been specifically obtained accepting the donation.

3. As stated above, Government have already sanctioned the grant of the site for the construction of the building and directed that the building should be handed over to the Government free

free from all encumbrances. Necessary action will be taken to have a deed of Gift executed by Mr. Gojjanur Channappa Setti and to take possession of the building after it is completed.

4. In the meanwhile, sanction of Government may be kindly accorded accepting the donations and directing the execution of the works connected with the ward and the compound wall by the Public Works Department. Since Mr. Halappa Gowda has donated the amount for a philanthropic object, the establishment and tools & plant charges may also be kindly waived.

I have the honour to be,
Sir,
Your most obedient servant,

S Narayana Gowda

Deputy Commissioner,
Shimoga District.
